

Our children are artists !

New collection :

Cardboard sheets (L40 x W 35 x Th 0.30cm) are pre-cut in various and varied shapes, representative of those used by the chosen artist.

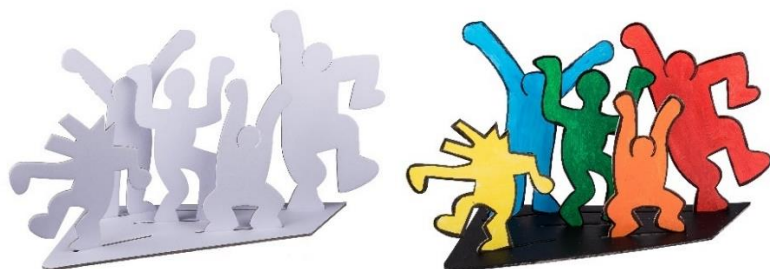

The shapes have notches allowing them to be easily linked together following his inspiration. Also included are basic shapes that will serve as a base for the future finished sculpture.

From a plate, each one can imagine, create and then paint his own sculpture following his imagination.

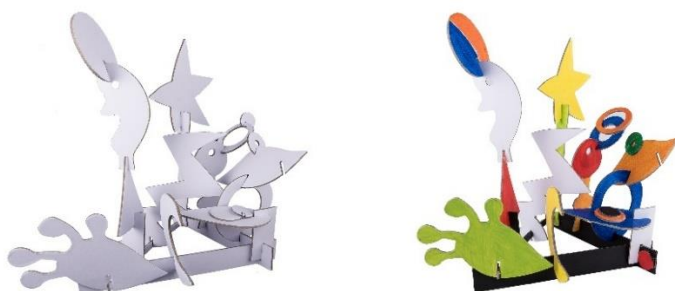

« The destructured face » in the manner of Picasso.

« Fiesta » in the Keith Haring way...

« Swing » in the Miro way...

« Rêverie végétale » in the Matisse way
